Suppliers and Contractors,

On behalf of the City of Irving, I want to extend my heartfelt gratitude to you for the contributions you made to the most recent Operation Finally Home project here in Irving, TX. It was an honor to welcome Sergeant First Class Samasoni Lelea, his wife who is also a Veteran, and their family to their new, mortgage-free home, made possible by your generosity. Your effort to give back to this family and our city means a great deal to me and we look forward to continued partnerships that allow us to thank those who serve our country.

Please pass along my appreciation to everyone in your company or on your team that assisted with this project. Thank you again!

Sincerely yours,
